

20 REVIVE 17

At Revive '17, women were asked to huddle up with a couple women and discuss the following questions after this message.

- 1 How might a reverent spirit impact a woman's behavior? (At work? Home? How she spends her free time?)
- 2 Can you think of any ways you have misrepresented God's character in the way you live?
- 3 Pray for each other in relation to the things we've heard today.
