

# FINDING YOUR MISSION IN HEAVEN'S RULE

Pastor Chris Brooks

1. Pastor Brooks described three personal examples of seeing something or someone for the first time that changed his life forever. Can you share a similar example from your life?
2. Heaven's rule is absolute; the issue is that we do not always acknowledge it. As a group, brainstorm a list of answers to complete this sentence: God is greater than \_\_\_\_\_.
3. Growing spiritually means becoming more dependent on God—not less. In what area of your life do you desire to release control and rest in God's sovereignty?
4. Give specific life examples of how glimpsing the holiness of God through His Word can crowd out any fear we may face.
5. In what ways can women show God's glory to an anti-Jesus culture (John 17:22; Isa. 6:8)?
6. Isaiah 6:8 asks, "Whom shall I send, and who will go for us?" Where is God sending you to declare that the Word is true and Heaven rules? Is there anything hindering you from obeying and pledging your allegiance to Him?
7. How does Satan distract and discourage us from our God-ordained mission in life? How can we overcome his attacks?
