

DISCUSSION QUESTIONS

An Ongoing Call to Seek Him Together

by Nancy Leigh DeMoss (True Woman '12)

1. When have you been tempted to stay on the mountaintop? How has God shown His presence to you when you've gone back into the valley?
2. What does it mean to breathe grace in and breathe grace out?
3. How can you pray for mothers and grandmothers who have prodigal children or grandchildren?
4. What can you do to both pray for and encourage your pastor's wife?
5. How can you encourage the young women around you to live as true women of God?
6. How can a marriage be a demonstration of the gospel to other people? How can you pray for revival in your own marriage or married couples that you know?
7. What are some specific ways you can pray for and provide encouragement to single women in your circle of influence?
8. How can you, as Mary Kassian prayed, "kick holes in the darkness until it bleeds light"?
9. Why is true womanhood really not about womanhood but all about displaying God's glory?
