

DISCUSSION QUESTIONS

The Genesis of Gender

by Mary Kassian

1. How do you think gender roles have strayed from God's original plan?
2. How is the picture in God's Word different from what you picture for male and female?
3. How does gender (manhood and womanhood) display truths about God?
4. How does understanding gender help us to understand more of God's character?
5. Did the list of differences between men and woman from Genesis 2 help you gain any new insights into how God created gender? How so?
6. How are marriage and gender created to point people to the gospel of Jesus?
7. Why and how does Satan attack gender and marriage?
8. How can you say "yes" to God's design for you as a woman?
9. How have you experienced God's restoration in your life as a woman?
